RECEIVED 10/30/2014

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B supporting Line 21(b) of your report to clarify the following description(s): "Clerical," "Administrative Expenses" and "Administrative Fees." For further guidance regarding acceptable purposes of disbursement, please refer to 11 CFR 104.3(b)(3)(i).

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register can be found at http://www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf.

2. Schedule B supporting Line 21(b) of your report discloses \$10,000 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity. (11 C.F.R. § 104.3(a) and (b))

3. Schedule E of your report indicates that your committee may have failed to file one or more of the required 48 hour report(s) for independent expenditures (see attached). A political committee must file a 48 hour report with the Federal Election Commission as specified in 11 CFR §104.4(b), within 48 hours of any independent expenditures aggregating \$10,000 or more with respect to a given election, made any time during the calendar year up to and including the 20th day before an election. The report must be received by the Commission by 11:59 p.m. on the second day following the date on which independent expenditures that aggregate \$10,000 or more are publicly distributed or disseminated. These expenditures must then be fully itemized on Schedule E, or as memo entries on Schedule E and reflected on Schedule D if distributed or disseminated prior to payment, of the next report required to be filed by the committee. Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. (11 CFR §104.3(b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1157.
